

## **CHAPTER III**

### **THE REGISTRO GENEALÓGICO**

#### **ARTICLE 1. GRATUITOUS SERVICES**

Since the ACCF is a non-profit organization, services relating to the Registro Genealógico will be provided free of charge.

#### **ARTICLE 2. REGISTRATIONS**

The following horses shall be registered in the Registro Genealógico:

1. Any specimen satisfying the provisions of Chapter II, Article 1, with genealogical supporting documentation accepted by previous agreement upon the creation of this Registro Genealógico, duly authorized and signed by the ACCF Board or whomever the Board may have appointed.
2. Any specimen registered by other breeders' associations fully authorized by the ACCF to maintain records, with the presentation of genealogical supporting documentation as required by the Registro Genealógico, subject to the authorization of the Council.

#### **ARTICLE 2. TERM OF REGISTRATIONS**

The application for registration of a Falabella horse shall be filed within eight months of its date of birth. Any registration filed after this term, but within three months of its expiration, shall be accepted by the Director, who may order an inspection. Any registration filed after this maximum term will not be accepted.

#### **ARTICLE 3. APPLICATION FORMS**

Registration applications shall be submitted on the forms provided by the Registro Genealógico or by an a breeders' association authorized to do so.

#### **ARTICLE 4. DISTINGUISHING MARKS**

It shall be mandatory for distinguishing marks to be drawn on the application form provided.

#### **ARTICLE 5. REGISTRATION OF OFFSPRING IN SPECIFIC CONDITIONS**

The registration of a foal whose mother is thirty months of age at the time of foaling may be accepted if the corresponding breeding service has been communicated to the Director within a period of sixty days from the date

the service took place.

#### **ARTICLE 6. PROPER NAMES**

Any specimen who is the subject of a registration application should be identified on the form by indicating its proper name in the format required by the Regulations pertaining to names. The Director may reject the name given to a horse if, when the given name includes a surname is not the surname of the breeder, or when more than one breeders has the same surname, or whenever the given name does not conform to the prefix rules of the Registro Genealógico established by the Council, or when, due to the nature of the name, the Director may consider it may consider it inappropriate.

In order to be eligible for registration, horses born abroad shall also bear, as part of their given names, the initials RG prior to the proper name or prefix of the breeder.

#### **ARTICLE 7. USE OF THE FALABELLA PREFIX**

The specimens who are the subject of applications for registration in the Registro Genealógico are not authorized to use the Falabella prefix, which is the property of Establecimientos Falabella de la Argentina and which was a specific condition when that entity ceded the original Registry which is part of the Registro Genealógico.

#### **ARTICLE 8. CHANGE OF NAME**

A change of name of a registered horse may be permitted, upon an owner's request, only once, and only if, due to the significance of the name in a given language, it may be inappropriate, and subject to the agreement of the Council. A change of the original prefix shall not be accepted in the case of an imported animal, but the addition of a new prefix shall be accepted.

#### **ARTICLE 9. RETURN OF DOCUMENTS**

If the registration of a horse is denied, all the supporting documentation presented by the person who filed the application shall be returned to him.

#### **ARTICLE 10. CORRECTION OF DATA**

Within a period of twelve months from the birth of a registered horse, the correction of possible errors in identification, e.g., distinguishing marks, may be requested, with the exception of the rectification of the color of hair, for which a maximum term of twenty months is hereby established. In every case, the Director shall sign the relevant resolution.
