Dear Madam,

In my capacity as President of the Asociación Argentina de Fomento Equino, I am pleased to inform you that at our Ordinary General Meeting held on May 23, 1991, it was unanimously resolved to appoint the Institution you preside, as our Honorary Fellow; basically because its Founders' labor has been universally acknowledged, in addition to its constant pursuit of integration which undoubtedly will contribute to the continual development to the benefit of all horse breeders in Argentina.

We hope that the traditional mutual interests and friendly relationship between our institutions shall be emphasized.

Very truly yours,

(Signed) Jorge I. Pini
Secretary

(Signed) Dr. Guillermo J. Decker
President
