

NEWSLETTER TFS Februari 2020

A warm welcome to all members of our (newly named) Falabella Studbook.

Some of you will be aware that after twenty-five years of registering your horses on her European Falabella Studbook (FSE) Mrs Reina Knaap-Mulder has now passed that honour to the British Falabella Studbook.

Now re-named The Falabella Studbook (TFS) we are the ONLY authorized Daughter Studbook to the Mother Studbook in Argentina – the Asociacion de Criadores de Caballos Falabella.

We are working on behalf of the ACCF and are now the unique registration point for the whole of Europe - we have applied for recognition from the European Union in Brussels.

Please note: Brexit will not affect your registration process.

Spring is in the air - the foal season is almost upon us!

For information on registering your foal – please visit
